Position: Executive Director of South Santiam Watershed Council
Reports to: Board of Directors
Stationed at: 4431 - Highway 20 Sweet Home, OR 97386
Job type: Full-time exempt (salaried)
Salary: A competitive salary ($55,000- $65,000 DOE) and benefits stipend

Open Date: 5/11/20
Close Date: 6/30/20 or until position is filled

Summary of Position
The South Santiam Watershed Council (SSWC) is seeking an enthusiastic Executive Director to lead the organization in its efforts to restore the health and function of the South Santiam Watershed. The position is full-time and currently supervises one full-time staff, one part-time staff, and one consultant. The Executive Director receives direction from a volunteer Board of Directors, but otherwise works independently to manage the SSWC’s key program areas including funding sources and financial management, partnerships with other organizations, field operations, and community outreach.

About the Organization
The SSWC is a 501(c)(3) non-profit organization that works collaboratively with landowners and managers to conduct education, monitoring, and restoration activities that improve the health and function of the South Santiam Watershed. The SSWC is non-regulatory. The Council’s mission is to involve local people in the enhancement and protection of the South Santiam Watershed for the social and economic benefit of its landowners, managers, and users. The SSWC has broad public support in the community with partnerships in local, state, and federal agencies, members of the timber industry, local agricultural producers, and with area non-government organizations.

Main Duties and Responsibilities
Leadership & Organizational Management:
- Oversee all accounting for the organization, including annual organizational budget and managing government and foundation grants
- Seek and develop new funding opportunities and prepare grant applications
- Actively engage and energize organizational partnerships
- Develop, maintain, and support a strong Board of Directors; seek and build board involvement
- Lead, coach, and develop SSWC team
- Assist project managers with program and project budgets
- Ensure effective systems to track progress, and regularly evaluate program components, so as to measure successes that can be effectively communicated to the board, government partners, funders, and other constituents
- Manage communication and programmatic efficiencies with consultants, including project manager
- All areas of 501(c)(3) nonprofit administration
